

MARINE MEADOWS WORKSHOP

Presented by Cornell Cooperative Extension of Suffolk County Marine Program
in partnership with the Town of Brookhaven

**MONDAY
OCTOBER 8, 2018
11AM-1PM
GIRL SCOUT PARK
FLOYD ROAD SOUTH
SHIRLEY**

CCE is working to restore eelgrass meadows to improve the health of our bays. This workshop will provide participants with an opportunity to learn about the importance of eelgrass while helping assemble planting units for use in local restoration projects. Advance registration is requested: <http://cornellcooperativeextensionmarinoprogram.eventbrite.com/> or email ran68@cornell.edu
